WELCOME FROM THE HEART

One
Destination.
Two Worlds.

DEAR GUEST,

Some places change with time. Others grow with it. Schlosshotel Mitterhart, a four-star castle and boutique hotel, is one of those rare places that has preserved its rich heritage while continually looking to the future. For generations, Mitterhart has been a place of genuine Tirolean hospitality - deeply rooted in the region and shaped by the people who live and work here.

FROM HISTORIC ESTATE TO BOUTIQUE HOTEL

The historic castle has been the heart of the estate for centuries. With its characterful rooms, traditional Tirolean Stuben and the authentic Schlosskulinarium, it brings together history, exceptional cuisine and the distinctive spirit of Tirol in a truly unique setting.

In 2025, a new chapter began with the thoughtful addition of the Boutiquehotel. The expansion introduced contemporary rooms and suites, the Lounge & Bar, the Landart Club for seminars and events, and welcoming new spaces designed for relaxation and wellbeing. Carefully considered architecture, natural materials and a strong commitment to sustainability ensure the new buildings blend harmoniously with the historic estate, proudly classified as a four-star hotel.

At Mitterhart, past and present exist in perfect harmony. Historic walls meet contemporary comfort. Tirolean traditions are complemented by modern hospitality. The result is more than a hotel - it is a welcoming home away from home for guests from around the world.

SURROUNDED BY NATURE

The setting is just as remarkable as the hotel itself. Nestled on the banks of the River Inn, at the gateway to the Silberregion Karwendel and only a short stroll from the historic Silver Town of Schwaz, Mitterhart is perfectly positioned between the Karwendel Mountains and the Tux Alps. Countless opportunities await for hiking, cycling, cultural discoveries and unforgettable culinary experiences.

One place, however, holds a particularly special place in the hearts of many guests: our castle gardens. Recognised by Falstaff as one of the most beautiful hotel gardens in Tirol, they combine regional cuisine, historic charm and a peaceful atmosphere where time seems to slow down.

Whether you're relaxing in the castle gardens, dining in the historic Stuben, unwinding in the Boutiquehotel's lounge or exploring the breathtaking landscapes of the Silberregion Karwendel, you'll encounter the values that have defined Mitterhart for generations:

Genuine hospitality. A deep connection to the region. A passion for quality. And the joy of creating meaningful moments to share with others.

We look forward to welcoming you to Schlosshotel Mitterhart.

With heartfelt gratitude,

The Mair Family

WHERE FLAVOUR BECOMES A FEELING

A Culinary World

Cuisine is more than a craft
it's an expression of soul, a quiet poetry written in flavours,
textures and moments shared.

Rooted deeply in the traditions of Tirol, our culinary world unfolds with a sense of place and season. It follows the rhythm of nature - fresh, honest and ever-changing - while gently embracing a contemporary lightness. Here, the familiar is elevated and simplicity reveals its true beauty.

Each ingredient carries a story. From nearby fields and trusted regional producers, nature finds its way onto the plate - thoughtfully composed, carefully refined and always prepared with a deep respect for its origin. It is a cuisine that feels grounded, yet effortlessly elegant.

From the soft stillness of morning to the golden glow of evening, every moment has its own taste. A breakfast that invites you to linger just a little longer. Light midday creations that mirror the seasons. And evenings that unfold slowly, where each course becomes part of a larger, more memorable experience.

Our culinary world is guided by a quiet philosophy: to honour tradition, to celebrate the region and to create something that feels both timeless and new.

This is not just dining.
It is a moment to pause.
A feeling to savour.
A memory in the making.
